Best phono stage

Rega Fono MM Mk2 £200

Rega continues its dominance over this category for the third year running. Last year's Award-winner remains an affordable go-to product for vinyl lovers thanks to its big, authoritative and punchy sound.

A wide-open soundstage gets the best from sparse, vocal-driven recordings, and its

dynamically fluid and rhythmic quality breathes life into upbeat tracks.

Midrange is convincing, while clear-cut highs and bottom-end grunt have distinct presence too.

Hook up this excellent Rega and enjoy the reward of hearing your vinyl at its best.
